## AN ACT

To amend chapter 319, RSMo, by adding thereto one new section relating to damage to underground facilities.

Be it enacted by the General Assembly of the State of Missouri, as follows:

Section A. Chapter 319, RSMo, is amended by adding thereto one new 2 section, to be known as section 319.042, to read as follows:

319.042. 1. Notwithstanding any other provision of law, any claim for damage to an underground facility alleged to be caused by excavation that is brought by an underground facility owner against an excavator shall be made in writing and delivered to the excavator within ninety days of completion of repairs to the facility and shall in no case be made more than one hundred twenty days after the date the person responsible for the excavation notified the notification center of damage under section 319.045. Any claim not made within the time periods prescribed by this section, or within such other time period as 10 may be agreed upon in writing by the owner and excavator after the occurrence of the damage, shall be barred. If no notice of damage was 11 made by the excavator or the excavator concealed, or attempted to 12conceal, damage to the facility or made unauthorized repairs to the 13 damaged facility, the limitation of this section shall not apply. If 15 repairs cannot be made within ninety days after the notice of damage by the excavator due to an order or notice of investigation by the 16 17 Missouri public service commission or the federal office of pipeline safety or by order of a state or federal court, and if the owner has 18 delivered to the excavator a copy of the order or notice of investigation 19 20 within such ninety-day period, then the period within which a claim may be delivered to the excavator shall end ninety days after
